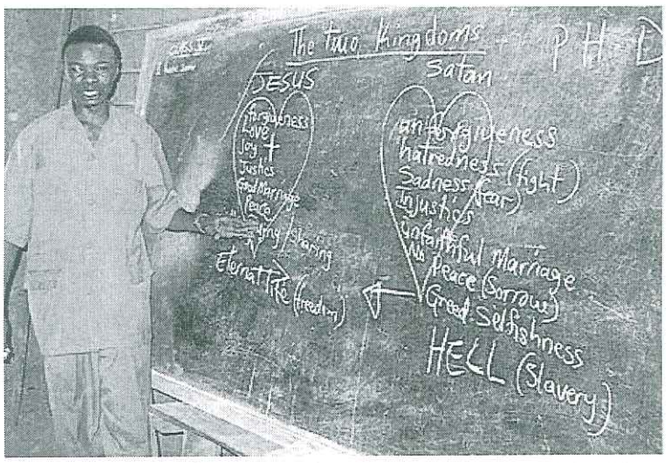
MTC LEADERSHIP DEVELOPMENT—KENYA PROJECT

Project # 61501



The Evangelical Lutheran Church in Kenya has 16 Mission Training Centers in four of their dioceses, and each of those Training Centers is teaching, equipping, and training up to 20 lay leaders in each of these locations. This is one of the fastest growing churches in the world, and it is so important to "equip the saints" and work to train the Lay Leadership in these areas, that have been in darkness for so many, many years. It is absolutely critical that the lay people are trained in the area of the Evangelism, Outreach and development of Sunday Schools and Bible Classes.

This project is one of the most urgently needed projects in all of East Africa. The words of Romans 10:14-15 are such an example of this project: "how, then can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to Them? And how can they preach unless they are sent?..." We must train the lay people, and in this project, it provides teaching materials for the leaders, study materials, travel expenses for the teachers and the Lord gathers these people together to hear that Good News of our Lord Jesus, and His love, goodness and grace for these people who are being" called out of darkness". The people are so eager to learn and so eager to listen, and each of the lay leaders can be trained for only $40.00 for each student that attends these most important classes. Through this project God can provide training for approximately 320 students that need this training so badly. How many students can you provide for at only $40.00 each for their complete training?
