Dear Patricia:

Thank you for submitting your program's name for ADHA's 100% full-time and part-time dental hygiene faculty membership award.

ADHA understands that dental hygiene faculty are in the extraordinary position of influencing students and in most cases, serve as the first line of communication between students and ADHA. This award was developed to recognize dental hygiene programs whose faculty have made a personal commitment to their professional association by serving as outstanding role models to their students.

I am pleased to announce that Utah College of Dental Hygiene has met the requirements for this national recognition, and is a 2007 recipient of this award. As a recipient, Utah College of Dental Hygiene will receive recognition during ADHA's 2007 Annual Session in New Orleans, LA. In addition, your program will be recognized in ADHA's *Access* magazine.

An ADHA certificate of recognition is enclosed.

Congratulations on this notable accomplishment.

Sincerely,

Margaret Lappan Green
