Angels

I Thessalonians 5:18

Many people often have questions about angels or even the existence of angels. But, angels are real and there are many people that have had personal experiences with these supernatural beings. Here are a few things you may not have known about angels.

- *Angels were created by God. Ps. 148:2-5 and Col. 1:16*
- *Angels are ministering spirits. Hebrews 1:13-14. A ministering spirit is a spirit which serves and works, a servant spirit.*
- *Angels are invisible beings, but they do on occasion manifest themselves to a visible form, or your eyes can be opened (anointed) so that you can see in the realm of the spirit. Num. 22:31 and II Kings 6:16-17.*
- *There are more Angels than one can count. They are of an innumerable quantity (there is not a number large enough to number them). Heb 12:22.*
- *There are different categories, ranks and types of Angels; such as Cherubims, Seraphims, Archangels, Living Creatures, Guardian Angels and Common Angels. Gen. 3:24, Isaiah 6:1-7, Jude vs. 9, Rev. 4:6-9, Matt.18:10 and Mark 16:5.*
- *You can entertain Angels unaware. Heb 13:2*
- *Angels can give directions. Acts 8:26.*
- *Angels protect. Dan. 6:22 and Ps. 91:11-12.*
- *Angels do not obey men. You cannot tell Angels what to do. Angels are not under your authority but they are sent to minister for you. Ps. 91:11-12 and Heb. 1:13-14.*
