We Need Revival

Psalm 85:6

- 1. We need revival because the churches today are filled with materialistic and worldly minded Christians.*
- 2. We need revival because the church has lost its integrity and identity concerning Kingdom living.*
- 3. We need revival because many of our churches today feel as though we can't reach people unless we use worldly methods. However, someone once said, "The Spirit draws, the Word convicts, the Gospel converts, and the Christ saves."*
- 4. We need revival because in many of our churches today, you can't tell the sacred from the secular. This includes the music, the language, the dress, etc.*
- 5. We need revival today because the church is weak in faith, weak in commitment, and weak in prayer.*
- 6. We need revival today because our churches are loveless. Unfortunately, in many of our churches love is defined as me, myself, and I.*
- 7. We need revival because in many of our churches today, we can't tell the preacher from the pimp, pusher, or the player.*
