

ASBURY PRESCHOOL
Registration Procedures
2010-2011 School Year

The enrollment procedures for the 2010-2011 school year will be as follows:

All currently enrolled children and unenrolled siblings will register between January 26 through January 29. The number of family points, which are based on total years that a FAMILY has attended Asbury Preschool, will prioritize all registration forms received during the registration period. Unenrolled sibling registrations will be processed after currently enrolled children are placed in classes. **No family may register if they have outstanding balances or late fees.** Application forms must be brought in **completed** and **notarized** along with the registration fee for your first choice of class pattern. It is important to also list your second pattern choice, as not everyone will be able to receive his or her first choice. *The Preschool will contact all families who do not receive their first choice.* All completed returning and sibling registration forms received by the January 29 deadline, will be dated January 29. All currently enrolled children will have a space in the Preschool if they register between January 26 and January 29. Any late registrations will be processed on a space available basis. A listing of registered children will be posted on the Preschool bulletin board by February 2. In the case of a family point tie, weight will be given to the amount of days per week attended, followed by FAMILY membership in Asbury United Methodist Church.
