

Official Adoption Agreement

For the direct support of Missionary Coral Rose
Regional Business Manager – Africa Project # 50014

Born in Texas and raised in Milwaukee, Coral Rose graduated from Valparaiso University with a Bachelor degree in Business Administration – Accounting. She joined the emerging “data processing” industry and worked to automate accounting, order processing, sales and inventory systems. Eventually she moved into system implementation and training, working with numerous industries worldwide.

In 2002 Coral received a Masters in Religious Education from Luther Seminary and worked several years in Children’s Ministry at churches in Hopkins, MN. In addition to Religious education and VBS she helped congregations utilize the church web page to encourage faith practice from Monday to Sunday.

God has called Coral to use her business and travel experience and love of different cultures to work with the many national/local church bodies within Africa, as they plan and execute projects sponsored by LCMS World Mission. She’ll use her business and communication skills to support the work of LCMS missionaries in Africa. As the Regional Business Manager, she will be living in Nairobi, Kenya and will travel to mission and project sites to support project progress and finances. Her work will encourage the local church leaders and their members, and allow the missionaries and their families to concentrate on evangelizing and teaching about the love of God.

Coral loves gardening and is looking forward to cultivating new and exotic plants. She also enjoys reading and singing in choirs. She is looking forward to departure in late 2008. Please pray for Coral as she prepares for this new adventure and learns about the many missionaries, projects and local churches that she will be serving. Pray that she has safe travels and a smooth transition as she follows God’s will for her in Africa.

I/We will uphold Coral in prayer and ask to be sent her newsletter at the
