### Electricity for Cambodian Lutheran School

Project # 820-99601B

The newly started school at the Lutheran church in Cambodia is a wonderful place to bring children hungry to learn. Along with their other studies, the teachers are able to use the Bible as a learning tool and thereby bring the saving message of their Lord and Savior.

The school is used not only for teaching, but other youth use it to study and learn. Electric lights make the school a great place to gather and as they are exposed to Christianity, they learn of the saving Grace God has given to them through his Son, Jesus.

For just \$20.00 you can provide electricity to the classrooms for one week.
