## For the

Direct salary income support for Kyrgyzstan evangelists

Project # 837-93765

In this remote country of the former Soviet Union in the rural areas, the people are so open to hear the good news of the Lord Jesus. We are encouraging local men to consider pastoral training to fill the needs of preaching, teaching and leading the new congregations in remote areas of Kyrgyzstan. This is such a blessing, to be able to offer salary income for these new evangelists. We can provide the full one year salary

support for these new leaders of the church for only \$520.00 for their salary for the entire year. Yes, these men can live on \$520.00 per year and support themselves and their families, and thus they can devote all of their time to sharing the Good News of the Lord Jesus, with the entire communities that have not heard His name. We are praying that the Lord will use these men to start hundreds of new churches in remote areas where the Gospel has never been preached. This is one of the most exciting projects to think that for \$43.33 a month we could pay for the full support of a new evangelist in Kyrgyzstan.
