Direct Support of Mission Project

Roofs for India School house

Project # 822-99501

LCMS missionaries started schools in India more than 50 years ago, and the buildings were built with mud walls and tiled roofs. The government supports the schools, but if they are not repaired from termite damage, the government will not support them any more, Schools are a great way to reach out with Christ's love.

Parents want to send their children to Christian schools because the Christian teachers are good educators. You can support the schools in India! With your support, Christian teachers can share God's love with the children and families of India.

The cost to roof one school building is \$500.00
