### Tarp to help cover church roofs in Ethiopia

Project # 817-99501

Preaching stations just starting out build wood and thatch structures. When the church is stronger, they can usually build churches from mud block. Good roofing is more difficult to put on. Since mission work began, the

mission has provided tarps for preaching stations and metals roofs for churches. Permanent buildings with metal roofs tell the community that the church is in Ethiopia to stay. You can support Christians in Ethiopia by providing a roof or tarp for their church!  
For \$65.00 you can provide on tarp.

I/we would like to provide for \_\_\_\_\_ tarp(s) at \$65.00 each for a total of \$ \_\_\_\_\_  
Please make all checks payable to LCMS World Mission

understanding that in the event this project is fully funded, then the proceeds of our gift will be allocated to a similar project in the same area of ministry in this country.
