## Direct Support of Mission Project

Food and education for a Vietnamese AIDS/HIV student

Project # 819-99101A

Vietnam, like many other countries, because of infected needles, unprotected sex, and blood transfusions, has been the victim of the HIV/AIDS virus. In the poorer areas there is little help for medication and many children are born with the virus, due to mothers that are infected.

These children are mostly shunned and left to fend for themselves.

What a wonderful way to show God's love by providing food, medication and education for these children.

Our Lord Himself said in Math. 25:40, Inasmuch as ye have done it unto one of the least of these of my brethren, ye have done it unto me.

For \$100.00 one child can be provided food and education for an entire year.

I/ We would like to support the HIV/AIDS project by providing \_\_\_\_\_ year (s) of support at \$100.00 for a total of \$ \_\_\_\_\_

understanding that in the event this project is fully funded, then the proceeds of our gift will be allocated to a similar project in the same area of ministry in this country.
