PLEASE NOTE

- Apple technology will **not** allow you to copy these files to another mp3 player or to add new files to this iPod.
- We only offer it in silver.
- If you attempt to synchronize this iPod to your computer, Apple technology will erase EVERYTHING we put on it and replace it with what is on your computer. You cannot retrieve your Plumline data if you make that mistake.
- You will be able to send it back to be updated with new materials, at an additional cost. Details will be announced later. Due to Apple's controls, the only way we can update it is for you to send it back.
