

*Plumblin Ministries teleconference class for Mercys.
These will be the last teleconference sessions offered on this topic.*

One of the challenges we all face is walking in our design. There's no "How to be YOU for Dummies" to tell us what is original design, what is brokenness, or what is generational inheritance. Even more so, we often don't know where we must embrace pain to grow into fullness.

It's tempting to walk only in the areas where it is easy to grow, but in so doing we will tragically limit ourselves to fulfillment in small portions of our lives. To experience true fulfillment we must identify and embrace the seemingly unnatural and usually painful process of growing into our design. For that is where the living treasure lies.

This, of course, begs the question of HOW to do that. Many of us have embraced so much pain trying to become someone else that we have grown quite tired of anything related to growth. But that is a position as deadly as becoming someone we weren't designed to be. In order to become fulfilled, we must identify the choices we have to make to unpack our design and build on it.

I am currently teaching a teleconference class on this significant issue. In the course of six sessions we are addressing several topics I believe carry untapped potential for the Mercy. Each topic addresses an area where Mercys often default to what is natural and easy. My goal is to inspire (or push!) you to see the productive pain you can embrace to unlock the treasures that lie within you.

Some of the topics we will discuss are the issues of alignment, reality, principles, circular thinking, and blessing of presence. In each of these cases we will look at what tools we

need to get past the stalemate of pain avoidance and move you towards the dominion that comes with fulfillment.

These are the last two teleconference sessions on this topic. Please note that the classes meet on Thursday nights. Classes are taught by Megan Caldecourt. The schedule is below.

Want to Connect with Other Mercys?

One of our Mercy Plumbliners has created a Facebook page for the Mercy Season and would like to invite any Mercy who is interested in networking to come and join the fun. Even if you aren't a Mercy, this would be a great opportunity to meet others in Plumbliner, share experiences and learn from one another. We have had many people ask about networking possibilities and our friend Cassie has stepped up to the plate to provide a platform. So, make use of it!

To visit the page, enter "Gift of Mercy in the Mercy Season" into the Facebook Search bar. You do have to be a member of Facebook to view the page and make comments.

Enjoy!
