

Christianity For Dummies

Wednesday Lenten Study

Begins March 8, 7:00 P.M.

Pastor Lonnie will be the teacher

Christianity For Dummies is a friendly, approachable guide that introduces readers to the Christian faith and Church, putting into everyday language what exactly it means to be a “Christian”.

This study is for readers who are curious about Christianity, both people who are not Christians and those on the periphery of the Church. It will also target new and uninformed Christians who are interested in discovering more about their faith. A light meal will be available from 6:00 p.m. Following the study, communion will be served each Wednesday.

Overview

To borrow the words of C.S. Lewis, *Christianity For Dummies* focuses the majority of its coverage on “mere Christianity”, the core essentials of the Christian faith that all believers, regardless of their background, agree to. At the same time, areas of difference won’t be swept under the table. When debatable topics arise, the book will highlight the differences that exist among various parts of the Church and faithfully represent these positions.

Table of Contents

Part I: Uncovering What Christianity's All About

- 1: Good News in a Bad News World
- 2: Christianity: But Is It True?
- 3: That Amazing Stuff Called Grace

Part II: Exploring the Basic Principles of the Christian Faith
