This evening is set up for you to obtain LOTS of information about the upcoming year. Please make it a priority!! Your children may come with you in order to bring their supplies to put in their desks and lockers and eliminate some of the business of the first day of school. Please find attached the NEW PARENT CONSENT FOR MEDICAL TREATMENT form. Please fill this out and bring it with you on the 27th. We have a notary at the school if you need those services. If you have not yet turned in your LEAD SCREENING AND DENTAL SCREENING forms for your Pre-K through 6th grade students, please bring that documentation with you as well.

\*\*\*Note to High School Students - if you would like to stop by the school some time during the week of August 24th - 27th to make your schedule, Mrs. Parton will be here to help you. She will be available after 10:00 each day until about 3:00. However, you may want to call ahead to make sure she is not at lunch or in a meeting.

We are looking forward to see what God has in store for all of us here at Heartland this year. When we are serving the King of Kings, as we are, it is always exciting to see His plan unfold. Please pray that He will glorified in all we do!!

Thank you for the opportunity of serving Him by partnering with you in the raising up of your children. We count it a privilege and an honor to do so.

Looking forward to seeing all of you on the 27th.

In His Service,

Gary D. Wilson
