

No Frills Supermarket Labels for Learning

August 26, 2010

Dear Parents,

Heartland Christian School is active in the “Labels for Learning” program offered by No Frills Supermarket. Just save the UPC portion (proof of purchase) from all the ***Our Family*** products. We will redeem these each time we collect 500 labels, so turn them in often to the office!!

The collection of labels is not limited to your own personal ones. Please **ask your friends, neighbors, relatives, and co-workers to save labels** for you and send them to the school with your child.

Thank-you!
