To Foster Excellence*

Mission and Goals

The Heartland Christian School Parent/Teacher Fellowship is a dynamic organization that works to enhance our children's education through fundraising, support of our administration and staff, as well as school programs and service projects. As a parent of a Heartland Christian School student, you are automatically a member of the Parent Teacher Fellowship!! At Heartland Christian School, we believe that parent and family involvement is an integral part of our school's success.

The PTF's goal is to engage our families in HCS activities, to advocate for student needs, teacher support, and assist in the growth and advancement of the school. This involves many hours of planning but the effort is very rewarding. Each year presents many opportunities to strive ahead with enthusiasm in making Heartland into the school of excellence our students deserve.

In addition to advocating for student and teacher needs, the PTF serves as an important means of communication between home and school.

Our mission is to encourage parental involvement in our school, connecting parents with teachers; working towards the goal of continuing to build excellence into academics, facilities, and service.

We love Heartland Christian School. We are excited about the role that PTF plays in helping to build HCS into the school God desires it to be. We welcome your ideas and suggestions. We also covet your participation!! Come to a meeting, volunteer your time, contribute your talents, get involved!!! WE NEED YOU!!!

The PTF wishes to THANK ALL THOSE who have volunteered in the past, and welcome those who will be joining the Heartland family this school year.
