

Campbell's Labels

Heartland Christian School collects the Campbell's labels as way to earn merchandise for our school.. Mrs. Deb Messersmith has agreed to be our coordinator for this program for the 2009-2010 school year. We appreciate her willingness to manage this important fundraiser for us.

Please refer to the back side of this flyer for all the eligible product labels. Please remove the **WHOLE LABEL** in tact as much as possible and send them with your student to the school. Mrs. Messersmith will cut and bundle them as directed by the Campbell Company!

We appreciate your willingness to join us in yet another way to help the school supply things that we would not normally receive if it weren't for programs such as this. Be sure to put the word out to your friends, relatives, and neighbors to save these labels for Heartland. But, **DON'T FORGET TO TURN THEM IN OFTEN!!**

Along with Campbell's Labels we will also be collecting **NESTLE BOTTLED WATER** labels. Collect these to turn into the school also.

Once again, thank you for helping out with this endeavor!!

P.S. Hang this flyer on your refrigerator to remind you of what product labels to save!!
