

The Word declares in Psalm 140:13 (TNIV), <sup>13</sup> "*Surely the righteous will praise your name, and the upright will live in your presence.*" This month at our Second Saturday Prayer and Rehearsal, we will rehearse the song, "*Here In Your Presence*" by Jon Egan. This declaration of God's presence encourages us to understand, through the character of God, our position of dependency on Him. This week, take a listen to this song and allow your heart and spirit to join with the Psalmist and declare the power of his presence. Check it out @ <http://youtu.be/Aq8P5i9U7-g>.

Please plan on attending our **Second Saturday Prayer and Rehearsal** on Saturday, Feb 11, 2012 in the EWC Sanctuary from 9am to Noon.

Here are the EWC Worship and Media Feb Worship Sets and Assignments: I invite you to begin not only to practice the songs, but also consider praying now for each song and worship set. I believe and know that God will honor our investment and efforts for His glory.
