### **Our daily devotions follow this simple “S.O.A.P. Method”**

**S cripture.** We provide suggested passages for each day. We publish them weekly on our web site on the ‘Sermons’ page. You read them at **your** best time of the day. Look for a verse that particularly spoke to you that day. Write it in your journal.

**O bservation.** What do you think God is saying to you in this scripture? Paraphrase and write this scripture down in your own words, in your journal.

**A pplication.** Personalize what you read. Ask how it applies to your life today. It could be an instruction, encouragement, promise, or correction. Write how it applies to you today.

**P rayer.** Write down your prayer. This can be as simple as asking God to help you use this scripture, or it may be a greater insight on what He may be revealing to you. Remember, prayer is a two way conversation, so be sure to *listen* to what God has to say, too!
