Tuition can be paid in full by the first day of school, or it can be divided into 11 equal payments (beginning in August and ending in June). Book fees will be due in July. There will be a \$7.00 per month surcharge for the payment plan.

Students entering after September 30 will have the tuition pro-rated to the number of months they will actually be attending.

There will be additional fees for books, similar to last years costs. Activities and field trips will be paid for by students.

* Preschoolers must be potty-trained.

Beginning in the fall of 2010, students in 5th-12th grades will be required to have a laptop for school. We are retiring our desktop computers. Students will bring their laptops everyday for classes and take them home to do homework. There will be a list of system requirements coming soon. Please call the office for information in obtaining reasonably priced laptops.
