

Needed: Donations for new Emergency Food Pantry in Tarrytown

A new emergency food pantry is being set up at Christ Church in Tarrytown and the organizing group, the Community Coalition, is reaching out to area organizations and houses of worship for donations. St. Barnabas has been asked to donate cans of tuna fish and manageable-sized bottles of laundry detergent (not the huge Sam's Club kind...)

Donations will be accepted at St. Barnabas in the red bins in the lounge until Sunday, March 21st. This drive is not to replace what we bring to the Yonkers Salvation Army food pantry, but rather an effort to support a new and much-needed resource in our neighboring town.
