1) Bonnie could only spend about $25 right now. That meant that she was unable to get any bonus items.

2) However, she wanted to buy more, so decided to earn the other items by being an Online Hostess. She could possibly earn over $700 of jewelry and it would only cost her $38.

3) All she has to do is send people to the Parties Online Video. They can attend the "Party" 24 hours per day, in the comfort of their own home, on their computer, and even in their pajamas, if they want. PLUS, if they have questions, there is LIVE Customer Support at the touch of a button about 18 hours per day.
