IT'S ALL ABOUT YOUTH FINDING CHRIST MAY 18TH, 2010

Be sure and check out the back of this page and see all the Seniors that are graduating from High School who are members of FCC. This class of graduating Seniors are very special to me. When I came to FCC over 7 years ago, the church had several youth ministers that for one reason or the other didn't last more than a few months. They were just burned out from church. My first class of upcoming 6th graders included Meaghan Peacock and Blake Farrell and that was about it. Wow have things changed. They got busy and a whole lot of their friends followed them here. This year we will see them as well as eight other Seniors graduate from high school and move on pursuing their future.

I have counted it an honor and privilege to be able to be part of their lives as well as many other students who are in our youth group who are graduating this year. My prayer is that they look upon their time spent here as beneficial in their walk with

Christ. I also pray that they would continue pursuing God and discover the wonderful plan that He has for their lives. God has given each of these student amazing gifts and it will be wonderful to see them use them for His glory in the years ahead. May God bless all of the Seniors of 2010

HOLY SCRIPTURE FOR THE WEEK

My son, if you accept my words and store up my commands within you, turning your ear to wisdom and applying your heart to understanding, and if you call out for insight and cry aloud for understanding, and if you look for it as for silver and search for it as for hidden treasure, then you will understand the fear of the LORD and find the knowledge of God. For the LORD gives wisdom, and from his mouth come knowledge and understanding.

(Proverbs 2:1-6)

Maybe next year we will get to float?
