## How to Find Peace in an 'Orange Alert' World

LONGWOOD, FL --In this time of crisis, with the constant threat of terrorism, natural disasters on the rise, heated political battles, and economic ups and downs, people are in desperate need of peace. Have you found it more and more difficult to focus on spiritual things, to reclaim inner peace? Temporary fixes just don't cut it, and even our spiritual accomplishments are short-lived. "Our inner peace hinges solely on living in a vibrant, thriving, and ever-growing relationship with Jesus Christ," states L. David Harris, author of *Know Peace Within*. "So many are needlessly struggling with life's burdens, resorting to all kinds of destructive behaviors and relationships, when what they really are searching for is to fill the God-shaped vacuum that exists in their lives." Harris encourages readers to find the one who can give peace in the midst of all crises.

Countless people who were once struggling to reconnect with God now lead others to a saving relationship with Him. Rejoice with people who have exchanged their guilt for the confidence of knowing God's love and forgiveness. ***Know Peace Within, A Life in Transition*** (Sept. \$17.99, 1-59781-548-9, \$27.99, 1-59781-549-7) by L. David Harris is the *re-vangelistic* tool of the year. Amazing life transformations are taking place every day because of the Christ so eloquently depicted within its pages. As an added bonus, readers can get information about how to get the companion song, titled "Give Me Your Heart" by renowned Christian recording artist and producer John Stoddart, in the front of the book.
