TO WHOM IT MAY CONCERN

On many occasions in the last few years it has been my pleasure to work with and get to know John Keuffer. In that time I have come to know John as a tireless promoter, and an extremely effective motivator of people.

I have also had an opportunity to meet several of the young people that John has involved in his Teen Response Program. I have been impressed with their energy and exceptional attitude, a clear reflection of John's upbeat and positive influence.

John has also shown great ability to handle many complex jobs at one time. I have great confidence in recommending that any involvement with John Keuffer and Teen Response will result in a win, win situation for everyone.

Sincerely,
