RE: Teen Response at Holy Trinity

Dear John,

The kids and teachers are still buzzing about your visit with Stan Kimbrough... you certainly made a terrific impression! Thanks for making time for us in your busy schedule. We have a great group of students and parents here, and I know that your message was well received. Your enthusiasm, energy and positive outlook make for an exciting and timely message.

As you and Stan work to get Teen Response off the ground here in Norwood, I wish you the best of luck. Certainly, if I can be of any assistance, please do not hesitate to call. Having the type of quality program you offer available in our area sounds like a super opportunity to me... I'll be calling you in the next few weeks to see if we can put something together.

Sincerely,

*Peg Fischer*
