Dear Charlie:

I would like to recommend John R. Keuffer III to serve on the Cincinnati Community Action Now (CAN) Commission. John is currently the Executive Director of Teen Response, Inc. Through his leadership and guidance, John and the youth involved with Teen Response are the recipients of such awards as Cincinnati Bell's "Building Bridges" Award, the "Angel Award" for excellence in youth work, as well other awards and honors. I have enclosed a copy of these achievements for your review.

His involvement with the City's youth and his commitment to the community would provide an important perspective that would greatly benefit this Commission. Please let me know if you need any further information regarding John.

Sincerely,

Pat DeWine
