

FBCTW Text Message Release

Parents,

We have subscribed to a service on the internet that will allow us to “mass text” our students. We will use this to announce coming events, payment due dates, and emergency notifications—probably 1-4 texts a month.

In order to add your student, we need your permission and the following information:

Student Name: _____ Grade: _____

Cell Phone Number: _____

Cell Phone Carrier: _____

If you as a parent would also like to be included, please provide the same information:

Name: _____

Cell Phone Numbers: _____

Cell Phone Carrier: _____

I give my permission for First Baptist Church of The Woodlands, Mike Corb and/or Jared McCaleb to text my student as necessary.

Signature: _____

Date: _____

***Text messages you receive will be from “fbctw@tsig.us” and they will be informative only. You will not be able to reply to them.**

"I want you to text 100 times, I will not text message in class."
