

Dear Parents,

With our ever growing school, our neighbors on Pimiento Lane have expressed concerns regarding the car traffic (both the numbers and speed) on their lane. In light of this, we have agreed to request that:

El Montecito Early School Parents will agree not to use Pimiento Lane to pick up or deliver their children to the school!

We appreciate the concerns of our neighbors and desire to comply as best we can with their needs.

I have read and understand that I will not use Pimiento Lane to pick up or deliver my child to El Montecito Early School.
