Jamie McCormick's rostered position still needs to be filled. Mark Kliewer is working on this.

Opening prayer by Ed Krueger

Visitation Reports:

Dayton Valley: Jack and Dean visited. Dean reported upon this visit.

Yerington: Buster, Gloria, Dean, and Steve. Steve reported upon this visit.

CA mountain churches: Steve gave a verbal (and will send us a written) report. Chester and Portola have changing demographics; Greenville's demographics aren't. Idea of focusing on calling a missionary/pastor as a convertible vicar for 3 churches. Nothing definite yet. They are asking for some minimal support from MAC for 2006.

Ely: report given.

Agenda for next meeting will include approval of minutes, study on first 2 chapters of "The Present Future," review of grants, best way of proposing the grants, open forum for future mission development starts.

Next meeting date: October 9, 2:00 – 8:00 at Sparks

Future meeting (if needed): October 7, 2:00 at Reno

Closing prayer by Dean Galvin.
