

Site Visit Report
Word of Grace Lutheran Church, Rohnert Park
June 18, 2006

Northern MAC Chairman John Pfeifer and his wife, Kathy, visited Word of Grace Lutheran Church, the CNH-LCMS mission congregation in Rohnert Park. We arrived early and had time to visit with Pastor Eric Johnson and meet many members of the congregation. We enjoyed an uplifting worship service in the congregation's recently dedicated facility and a time of fellowship following the service. It will be a pleasure to worship with them any time we are in the area.
