

## For The Rest Of Your Life

For the rest of your life, The Lutheran Church-Missouri Synod Foundation will send you a check every quarter, or annually if you wish. The amount will be the same every time. While the economy may rise or recede, your check will remain the same. You can count on it because the Foundation's commitment is backed with the full assets of the Foundation.

The total amount you receive every year is determined in advance and depends on several things, including your age and the amount you give to establish the arrangement. For example, if you're 75 years old, you'll receive more than someone younger who gives the same amount.

Furthermore, for the rest of your life, you will enjoy the satisfaction that your arrangement with the Foundation will someday provide the church with needed financial resources to expand the mission and ministry of the church to reach souls for Christ for generations to come.

The IRS favors these arrangements and provides the donor with a charitable income tax deduction. Its one way the government encourages citizens to support churches and charities.

The arrangement we are talking about is the **Charitable Gift Annuity**. Year in and year out, it is a very popular lifetime income producing planned giving vehicle.
