

Our Covenant of Repentance

In view of all this, we are making a binding agreement, putting it in writing; Holding ourselves to an oath to be faithful to You, our King, and to one another...

- To enter into Your rhythm, respecting low tide, and high tide
- To take hold of Your deliverance from a life of slavery to work
- To avoid a life of possessiveness and hurry, a life that reduces relationships to commodities, and diminishes us to consumers
- To trust You by letting go of the vanity of beginning early and ending late, depending more upon ourselves than upon You

We call ourselves again to be Your people, set apart by holiness... Set apart by rest.
