

Village provides a variety of worship styles to meet the needs of a diverse community. While each service is unique, all will include times of teaching, singing, prayer, reflection and all share these core qualities:

- messages centered on God's Word
- responsive worship
- multi-generational, multi-cultural
- a place to "come as you are"

5:30 Saturday Night – Sanctuary (Worship Center)

This worship gathering is led by a band and uses current music and worship expressions along with some of the timeless worship practices like creeds, corporate prayers, and hymns.

8:30 Sunday – Sanctuary (Worship Center)

This worship service utilizes more traditional forms of music that include choir, organ, and many of the classic hymns of the church along with some of the hymns and worship songs being written today.

10:30 Sunday – Sanctuary (Worship Center)

This worship gathering is led by a band and uses current music and worship expressions along with some of the timeless worship practices like creeds, corporate prayers, and hymns.

10:30 Sunday – Chapel (Across the Plaza from the Worship Center)

This gathering has a younger voice teaching the Scriptures to an emerging culture. The worship response is led by a band - while it uses some of the most current expressions of worship, it also honors the ancient practices of the church.
