Angie made a motion to approve the agenda second by Gary – passed.

Gary made a motion to approve the minutes from 5-18-2011 and the conference call minutes of 6-30-2011 second by Michelle – passed.

Agenda Item # 3: We talked about the makeup of this board to see if we wanted more members or not. We decided to leave as is but to make sure other Counties that are GRM/Cama are invited. It was pointed out that the agendas and minutes are posted on the MCC website. (Kevin reconfirmed this after the meeting.)

Agenda Item # 4: We then went over the items in Kevin's spreadsheet:

- A. 2006.04 issue 16. We decided to leave as is "Dropped".
- B. 2006.04 issue 53. We will ask the CAC to reopen. See 2010.27
- C. 2006.04 issue 54. We decided to close this as fixed and may revisit it after one year if needed.

Agenda Item # 5: A.) Mike C. went over the Cama Import Report. We will wait until 08.06.12 is up and running in Oct and then we will continue to work on this report.

B.) Kevin went over a request for interrupting the short key to a parcel number. Kevin will do more investigating.

C.) We talked about what Stearns County found out in testing when we removed the 2013P tax files in the Cama System (see the minutes from the conference call on 6-30-2011). The New Year files are created either by option number 20, Import program, or by creating the New Year in the Cama System. It was decided that Kevin would write up the enhancement to have ACS remove this from the "Create New Year's Files".

We then went back to Agenda Item # 4 and looked at all the open issues:
2006.04 issue # 7 – leave open.
2006.04 issue # 9 – leave open as GRM 8.06.12 did not fix it.
