McLeod - no one attending  
Wright - no one attending  
MCCC - Lisa Meredith  
OSI - Sherry Dwyer

Meeting called to order

Motion by Kassandra Engberg seconded by Shane Patrick to accept the February 28, 2011 agenda/

Motion by Shane Patrick seconded by Chad Struss to accept the January 24, 2011 minutes.

Status updates:

Carver: finalizing the data, anticipating going live with HR in about 4weeks.

Clay: nothing new

Chisago: Pam didn't get a definitive answer from Renee about BETA testing.

Chair Ripley said that Rice County may be interested in going with this program and then could be a possibility for BETA testing.

Lisa Meredith said the first round of BETA testing was tough - we need to support the BETA testers better in the future.

Sherry Dwyer said it will help that OSI now knows our business.

Problem with all counties is staff shortage.

Sherry will talk with OSI to see if there would be any options for them to help with the situation.

Clearwater: not in attendance

Faribault: wanted to know who else used CAMI reporting for PERA. Clay, Isanti, and possibly Goodhue use CAMI.

Goodhue: not in attendance

Isanti: had a problem with leave absences set as a percentage with a P. P no longer means percentage and they had to change.

Time and Attendance: works great for employees on a regular schedule but not so well for those on 24/7 shifts.

They use it as a time clock - this was a tough sell to most departments and some employees.

Isanti will be happy to help anyone interested in the program.

Question on RTVision for time and attendance. Carver Co. said it was basically a glorified Excel spreadsheet.

McLeod: not in attendance

Wright: not in attendance

Optimum: Sherry said they are putting more information in the blog area of their website - be sure to check it out.

Lisa Meredith asked if this group would like to meet at the annual conference and possibly demo the HR product. The group approved meeting at the conference. Shane Patrick said he would be happy to demo the HR product (pc version) at the conference.

Motion by Pam Larson seconded by Sharon Walz to adjourn the meeting.

Next teleconference meeting 10:00 a.m. March 21, 2011.
