

# Minnesota Counties Computer Cooperative

A joint powers organization providing services, software, and other cost-effective measures to substantially reduce the cost of data processing for counties. Established in 1978.

Volume 10, Issue No. 11  
November 2011

## *Letter from the Executive Director*

Happy Thanksgiving! This week I celebrated my ten year anniversary with MCCC! So this year, I am thankful for a job I love, fabulous staff, and wonderful members! Thank you all for making MCCC a great place to work!

At MCCC, we are working on the 2012 conference. Do you have a great idea for a session or workshop at the MCCC conference? Send in a session proposal! Forms are available at [www.mnccc.org/2012\\_conference](http://www.mnccc.org/2012_conference). We thought it would be fun to include a geocaching event. We are looking for a small committee to help with the geocaching event. If you are

interested, please contact me! We are also looking for conference sessions and workshops, please send me any ideas for topics or speakers that you may have.

Just for fun send your favorite holiday cookie or bar recipe to [lisa@mnccc.org](mailto:lisa@mnccc.org) by November 18<sup>th</sup>! We will select winning recipes and send out some fun prizes! Plus, we will include a holiday recipe section in the December newsletter!

As always, my door is always open. Please let me know if you have any comments, questions or concerns.

Lisa Christine Meredith  
Executive Director, MCCC
