

Webex for Immunizations October 29<sup>th</sup>, 2009

Attendees: Tanya Ruth, ACS, Mary Thompson, ACS, Deb Castellanos, ACS, Nancy L. Pick, Olmsted, Dan Jensen, Olmsted, Gloria Stumpf, Bloomington, Kris Jackson, Rice, Lynne Erickson, Wadena, Debra Durham, Todd, Karen Stanley, Morrison, Nancy Wille, Goodhue

1. Discussion about H1N1. How are entering it into vaccine inventory.

2. Demo – how to enter immms

Client chart reports – quick

Basic/advanced search under “Search for Clients”

From advanced tab to do immunizations (entry setup)

3. There is an Immunization given by client name report. Question – How do they run these reports and what do people use them for?

4. New – VFC eligibility codes

Immunization focus group would like to have a face to face meeting right before Phase II is released to refresh ourselves with how the screens will look and operate.

March 10<sup>th</sup>, 2010 at ACS – along with webex and call.

Snow date will be March 17<sup>th</sup>, 2010

Meeting time – 10:00-2:30
