Peg asked Sherry about Excel reporting, Sherry said your Windows and iSeries sign on must be the same, the two of them will email later to work out the issues.

**Optimum Update**

Sherry has been busy researching all of the fun Healthcare Reform stuff so that if anything is to affect payroll she will be on top of it, thanks Sherry!!

We discussed the AFSCME dues changing, the counties affected agreed to try it manually using the spreadsheet AFSCME will be providing, if we decide that doesn't work then we will go back to Optimum for them to write a program for it.

Next meeting is July 19, 2010.

Shane/Pam motioned to adjourn the meeting.

Respectfully Submitted,

Donna Trebelhorn  
Secretary
