Discussion was held concerning the HR requirements that Carver County had compiled for the HR windows version. The group wondered about any additional costs so Sherry will look into with Scott at Optimum. The group felt comfortable with the current listing so Lori and Donna made the motion we accept them as is and the group unanimously agreed.

Sherry updated us on a few items:

- Blog is up and running, 3 updates a week, check their website
- Webinars coming up on reporting

Next meeting is April 19th, 2010.

Respectfully Submitted,

Donna Trebelhorn
