

Information Session

The Associate Professional in Talent Development (APTD) and the Certified Professional in Talent Development (CPTD) are the only credentials covering the talent development profession. They are based on the capabilities as defined by the ATD Capability Model.

Invest in Yourself!
Determine Your Strengths
Discover Development Opportunities

**Learn more about
ATD's Certification Programs**

What are the CPTD and APTD and the differences between them, the processes to obtain them, and the resources available to assist

Spring 2021
