Professional Development for You and Your Organization

This program will discuss

- Your personal professional development assessment and goals
- Organizations' evaluation and support of employees' professional development

As individuals, what are YOUR professional development goals/desires?

- review your interests
- assess your skills, knowledge and abilities for your current position
- determine a professional growth path for yourself

For organizations, how do you create a culture of learning while addressing organizational strategic goals?

- assess skills, knowledge and abilities of employees to determine development needs
- create effective development plans to help employees achieve their potential while supporting the growth and success of the organization
