Creative Recruitment and Retention

In the **fast-paced and competitive landscape** of today's business world, finding and retaining top-notch talent has become a challenge for companies across industries.

CNY ATD understands the importance of **overcoming talent acquisition and retention obstacles** to ensure your organization's continued success. You will **gain insight** from local employers who have successfully navigated the challenges of talent acquisition and retention

This will be an interactive virtual panel discussion hosted by industry experts. Hear some creative ideas from this illustrious panel; Think about creative ideas you can take back to your organization. This event promises to equip you with the knowledge and tools needed to thrive in the talent acquisition and retention arena.
