Bloomfield, Canandaigua, Farmington, Victor, NY Areas

Receive The Greatest Value:

1. By keeping your card (valid for the current promotional period) with you at all times.
2. By keeping the current promoters listings near by when you are out and about.
3. By checking the current promoters listings when planning to make any purchasing decisions.
4. By checking the website or a participating church regularly for new updates as to where the card may be used to receive exclusive discounts. Unlike other discount card promotions the value of this card goes up in value as it approaches it's expiration as new promoters and areas are added.

5. By having more than one valid card available with you when you shop with others where the discount cards may be used. Check page 5 or the website to find distributors of the cards.

6. By keeping in mind that the money you spent in purchasing the card goes towards serving a purpose you believe in and want to support.
