

25 Years of product development

Our company has supplied protection products to the New Zealand automotive industry since 1987 and has remained the premium supplier.

Dura-Seal G3 Ceramic Paint Protector is based on products developed for the space and defence industries, used for their extreme heat and chemical resistance.

After years of trials we have been able to manufacture a product that is even more durable and maintains your vehicle's great look for longer.

G3 Ceramic paint protector is available in over 30 countries and supported by many of the worlds leading car brands.

Dura-Seal fabric and leather protection products are manufactured in New Zealand using the latest technology resins providing unsurpassed levels of care.

TF Group has an ethos of constant product development leading to offering the finest products of each type backed by outstanding customer service.

DURA-SEAL®

DURA-SEAL LEATHER PROTECTION

DURA-SEAL®

Protect your new vehicle for a lifetime of ownership!

Whether your new car has come straight out of the showroom or you are its second owner, for many of us nothing beats the thrill of purchasing a new vehicle. The paintwork gleams and the interior is clean and fresh, now that you own it you will want to protect it for a lifetime.

Dura-Seal protects and enhances the resale value of your new vehicle.

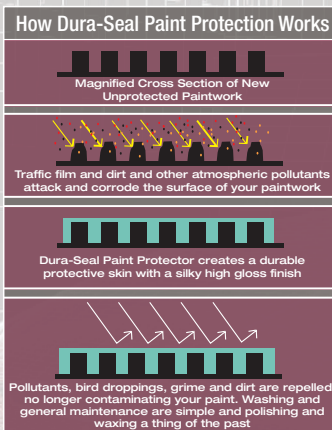

EXTERIOR

G3 Ceramic Paint Protection

Dura-Seal G3 Ceramic Paint Protection provides the most up to date paint protection technology for your new vehicle. You will never have to wax or polish your vehicle again!

Dura-Seal G3 Ceramic paint protector forms a durable scratch reducing finish which bonds (polymerises) permanently to your vehicle's clear coat. Forming an invisible barrier between the paintwork and the elements, protecting your paintwork against the harsh effects and damage caused by acid rain, sea salt, bird droppings, tree sap and reduces the effect of UV rays by helping to keep the automotive clear coat intact.

Dura-Seal Paint Protection:

- Protects your paintwork from the elements.
- Saves you time by making your vehicle easy to wash.
- Never wax or polish your car again.
- Environmentally friendly, no harsh washing products required.
- Provides an invisible & durable high gloss finish that will remain wash after wash.
- Preserves appearance and increases resale value.
- **Guaranteed for a lifetime** of ownership.

INTERIOR

Fabric Protection

Dura-Seal Fabric Protector is a particularly robust product. Manufactured in New Zealand since 1987 specifically for the motor vehicle industry. For the past 2 decades, as technology has improved so has Dura-Seal, meaning that you can rest assured that your vehicle will be protected by the most current technology available. Never again devalue your vehicle due to unsightly stains on your fabric or carpets.

Dura-Seal Fabric Protector will penetrate and surround every fibre creating an invisible barrier that protects your fabric or carpets from spills and stains for a lifetime.

Dura-Seal Fabric Protection:

- Resists everyday soiling and prevents spills from permanently staining your fabric or carpets.
- Helps your upholstery to retain its new look for longer.
- Saves you time by making your interior fabrics easy to clean.
- Odour free, non allergenic and child safe.
- **Guaranteed for a lifetime** of ownership.

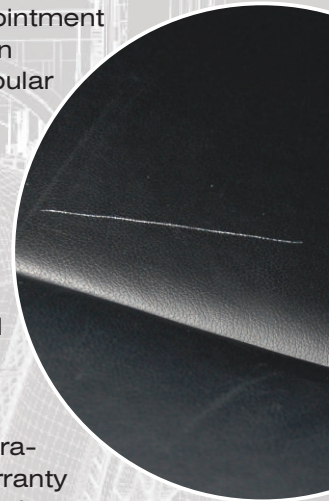

INTERIOR

Leather Protection

Leather upholstery, an appointment that used to be found only in luxury vehicles is now a popular option for many vehicles.

As directed in your owner's manual, leather upholstery requires regular cleaning and protection to retain its look and suppleness and to remove spills, marks and the soiling caused by body oils and perspiration.

Accidents happen. Your Dura-Seal Leather protection warranty also includes a service plan that covers repairs for incidents of accidental stains or damage to your leather upholstery. Enhancing the resale value of your vehicle.

Dura-Seal Leather Protection:

- Prevents your leather from ageing prematurely, stops cracking and helps retain suppleness.
- Removes and protects against everyday soiling and spills.
- Repairs incidents of accidental damage such as
 - Cuts
 - Scratches
 - Burns
 - Ballpoint ink
- Saves you time cleaning your leather upholstery.
- **Guaranteed for a lifetime** of ownership.
